

BUSINESS NETWORKING AND SALES CERTIFICATE

Division: Business and Computer Information Systems

PROGRAM CODE: 2C40973

The **Business Networking and Sales Certificate** is designed to prepare students for employment in any business. The opposite of networking is not working. And, when developed correctly, it can be a most important business skill. Every time you meet someone, there is an opportunity to learn from them and be a resource to them. In sales, networking is a necessary skill for finding new clients and centers of influence and building a strong referral pipeline. It is also a strategy used to open doors and build powerful relationships. This program is designed for future professionals who are individual members of a team and for those who manage a team or the sales function of a business; For sales managers or executives looking to effectively coach your team and build a high-performing sales engine; Entrepreneurs looking to build a sales team and acquire customers; Business leaders who would like to be more persuasive and influential; Business development professionals who play a role in sales and managing relationships; and Professionals making a horizontal career shift into sales from another functional role. This certificate requires 12-15 units.
