

# DIGITAL/IN-PLANT GRAPHICS CERTIFICATE

---

**PROGRAM CODE:** 2C10620A

The **Digital/In-Plant Graphics Certificate (formerly Quick Print/In-Plant Graphics Certificate)** is designed to provide students with the skills and knowledge necessary to operate a digital press and an offset duplicator, and the skills needed for employment in the commercial printing field. This certificate requires a total of 26-31 units. A grade of C or better is required in each course.

| Code                                       | Title  | Units        |
|--|--|--------------|
| <b>Required Courses (12 units):</b>        |  |              |
| PRNT 060 F                                 | Basic Digital Printing (formerly PRNT 070 F)       | 2            |
| PRNT 061 F                                 | Intermediate Digital Imaging (formerly PRNT 070 F) | 2            |
| PRNT 062 F                                 | Advanced Digital Imaging (formerly PRNT 070 F)     | 2            |
| PRNT 101 F                                 | Introduction to Printing                           | 3            |
| PRNT 145 F                                 | Variable Data Imaging                              | 3            |
| <b>Restricted Electives (14-19 units):</b> |  | <b>14-19</b> |
| PRNT 030 F                                 | Introductory Printing Skills Lab                   | 0.5-6        |
| PRNT 031 F                                 | Offset Skills Lab                                  | 0.5-6        |
| PRNT 033 F                                 | Digital Printing Skills Lab                        | 0.5-6        |
| PRNT 075 F                                 | Electronic Prepress I                              | 6            |
| PRNT 085 F                                 | Introduction to Flexography                        | 4            |
| PRNT 140 F                                 | Color Management                                   | 3            |
| PRNT 171 F                                 | Offset Presswork                                   | 6            |
| <b>Total Units</b>                         |  | <b>26-31</b> |

**Outcome 1:** Create a multi-color digital printing sample produced at industry standards using a digital printing system.
