

PRESIDENT'S MESSAGE

Welcome to Fullerton College!

Whether you are a new or a returning student at Fullerton College, we are so pleased that you are a member of our campus community. Fullerton College has a proud history of student success and our students receive strong support from our “radically student-centered” faculty and staff. It is our privilege to serve you.

We invite you to explore our Fullerton College website for complete information about admissions and enrollment, transfer and program requirements, course descriptions, and student policies. You'll also find information about the college's student services including counseling, financial aid, library, academic support, tutoring, adaptive services, transfer center, career planning, and career services. We hope you will take a moment to familiarize yourself with all that Fullerton College has to offer you and make an appointment with one of our college counselors to discuss your interests and educational goals.

Each of us at Fullerton College looks forward to making your experience here both enjoyable and rewarding, and I look forward to meeting you someday. Welcome to Fullerton College!

Dr. Cynthia Olivo

President
