

# CATALOG ARCHIVES

Previous versions of the Cypress College catalog are made available because the courses required for a specific degree or certificate, or general education may change from one catalog to the next and, therefore, may change during the period of time that a student attends the college. Catalog rights, established when a student first takes classes at the college, protect the student from being held for additional requirements that may be added to a later catalog.

For more information, see the "Catalog Rights" section of the catalog.
