AUTOMOTIVE T-TEN ELECTRICAL CERTIFICATE

Division: Career Technical Education

PROGRAM CODE: 1C37117

The **Automotive T-TEN Electrical Certificate** program is designed to prepare students for employment as Toyota/Lexus automotive electrical system diagnostic specialist. Course work includes theory and operation of electrical systems, the use of test instruments, and skill competency in electrical system diagnosis and repair. The program will provide the student the opportunity to acquire the knowledge and skills demanded of the modern automotive electrical system specialist. To earn a certificate, complete the required courses as listed with a grade of C or better. 100% of all course work must be completed at Cypress College. This certificate requires a total of 18 units.
