

AUTOMOTIVE TECHNOLOGY CERTIFICATE – PERFORMANCE AND DRIVEABILITY SPECIALIST

Division: Career Technical Education

PROGRAM CODE: 1C12975

The **Automotive Technology Certificate – Performance and Driveability Specialist** is designed to prepare students for employment as an automotive performance and driveability specialist. Training is given in theory and practical skills. Directed practical work is given in areas of automotive maintenance and repair under simulated on-the-job conditions. Particular emphasis is placed on those competencies required of performance and driveability technicians. The program will provide the student the opportunity to acquire the knowledge and skills demanded of the modern automotive performance and driveability specialist. The sequence in which courses are taken may be modified to meet individual needs. To earn a certificate, complete the required courses as listed with a minimum grade of “C”. At least 50% of all course work must be completed at Cypress College. This certificate requires a total of 18 units.

Code	Title	Units
Required Courses are listed in suggested sequence (16 units):		
AT 150 C	Auto Performance and Drivability	12
AT 105 C	Automotive Electrical I	6
Total Units		18

Program Student Learning Outcomes:

OBJECTIVE 1: Acquire the workforce preparation skills, including theoretical and practical competencies in engine performance and industry standards, necessary for entry level employment in the automotive industry.
