COMPUTER SCIENCE

Division: Business and Computer Information Systems

Division Dean

Dr. Treisa Cassens (Interim)

Faculty

Jonathan Johannsen

Counselor

Robert Grantham

Computer Science Transfer Program

Students should consult a counselor or www.assist.org for lower division major requirements for most California public universities. (See the Standard Definitions section of the catalog for a description of ASSIST.) Students transferring to an independent college/university should consult the catalog of the individual school and a counselor for lower division major requirements.

Computer Science Associate in Science Degree for Transfer

The courses taught by this department contribute to the following ISLO/ PSLOs: A-Breadth of Knowledge, Competencies, and Skills; specifically, the following ISLO/PSLO subcategories: A1-Business and Computer Information Systems.
