

SUSTAINABILITY CERTIFICATE

PROGRAM CODE: 1C35041NA

Financial Aide Eligible

The **Sustainability Certificate** provides students with a career path for attaining the communication skills, practical knowledge, and technical training necessary for pursuing a career in sustainable technologies certification. Students completing this certificate will develop an advanced understanding of the technologies involved in the sustainable energy industry. To earn this certificate, complete the required courses as listed with a grade of C or better. At least 50% of all major course work must be completed at Cypress College. This certificate requires a total of 17 units.
