

CYPRESS RECONNECT

Cypress Reconnect offers career planning services through the Career Planning and Workforce Development Center for adults who are looking to change careers or are returning to college. We provide individual career counseling, career classes, and resources to assist you as you transition back to school and move toward reaching your career goals.

Eligibility

Adults who are returning to college after at least 1 year and include one of the following:

- Students over the age 25
- Students who have spent 5+ years in a career field and are now changing careers

Location: Cypress College Complex Building, 2nd Floor, Room 215

Phone: (714) 484-7120
