

GUARDIAN SCHOLARS

The Cypress Guardian Scholars Program provides a comprehensive support system that meets the academic, personal and financial needs of foster youth attending Cypress College. Program benefits include program orientation, resources for financial aid and grants, academic advising, workshops for career and academic success, friendship and support.

If you are a current/former foster youth and interested in participating in the Cypress Guardian Scholars program call (714) 484-7368. The office is located in the Cypress College Complex on the second floor in the EOPS Office.
