## Veterans Resource Center (VRC)

The Veterans Resource Center (VRC) at Cypress College is dedicated to supporting military and military-affiliated students as they pursue their educational goals. The VRC provides a welcoming space, personalized guidance, and connections to resources that help make the transition from military to college life successful.

Our staff understands the unique experiences and needs of veterans and military-affiliated students and is here to help every step of the way.

### Services include:

- Assistance with VA educational benefits and certification
- Academic counseling and educational planning
- Priority registration and enrollment support
- Dedicated study and lounge space for veterans
- Referrals to campus and community resources
- Workshops, events, and networking opportunities for veterans and their families
