BUSINESS ADMINISTRATION ASSOCIATE IN SCIENCE DEGREE FOR TRANSFER 2.0

PROGRAM CODE: 2S42562

The Business Administration Associate in Science Degree for Transfer 2.0, The Business Administration Associate in Science Degree for Transfer 2.0, also called the Business Administration AS-T Degree, prepares students to transfer to CSU campuses that offer bachelor's degrees in Business Administration. Business Administration prepares students to enter the job market with an ability to identify and solve business problems. Coursework helps students to develop a solid base of knowledge and understanding of fundamental business aspects, beginning with the basics, and emphasizing a foundation in marketing, management, human relations, finance, communication, writing, business law, and international business. While a baccalaureate degree is recommended preparation for those considering business-focused careers, the completion of this curriculum will demonstrate a commitment to the business field and provide preparation for upper-division work. The Business Administration AS-T requires a total of 30 units.

The following is required for all AA-T or AS-T degrees, and there are no additional graduation requirements:

- Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements (for admissions to CSU, it is necessary that the students meet the "Oral Communications" requirement when using IGETC for AA-T or AS-T).
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- 2. Obtainment of a minimum grade point average of 2.0.

Title

Code

3. ADTs also require that students must earn a C or better in all courses required for the major or area of emphasis. A P (Pass) grade is an acceptable grade for a course in the major only if the P is defined to be equivalent to a C or better.
