

CLOUD COMPUTING CERTIFICATE

Division: Business and Computer Information Systems

PROGRAM CODE: 2C44175

The **Cloud Computing Certificate** program provides training in preparation for immediate employment in business, government and industrial organizations utilizing cloud computing services. It provides skills needed for career entry and/or advancement in such positions as cloud computing specialist, cloud architect and cloud engineer. The Cloud Computing Certificate (19 required units) is designed to prepare students for an entry-level position supporting organizations using cloud computing services in the field of information technology. A grade of C or better is required in each course taken.

Code	Title	Units
Required Courses (19 units):
