Music Major General Requirements

As a music major, students are expected to declare a performance area (voice, piano, or other instrument), to participate in at least one large performing group each semester, to be enrolled in Concert Hour each semester, to be enrolled in music theory and musicianship each semester, and to perform for student recitals and faculty juries on their major instrument each semester unless special exemption has been allowed. In addition to studying their major instrument each semester, students are urged to develop as much facility on the piano as possible because of its importance in other areas of their musical training.

Applied Music

Four-year colleges vary in the amount of applied music credit that may be applied to the Baccalaureate degree. Students are cautioned to check the catalog of the college they plan to attend for its specific statement on the amount of applied music credit that will count toward the degree.
