

FIRST YEAR EXPERIENCE

First Year Support Center. The First Year Experience (FYE) is designed to help students succeed in their first year at Fullerton College by providing opportunities to experience campus events and student groups, encouraging educational and career planning, introducing mindfulness and growth mindset strategies, and connecting them with valuable on-campus resources. As students navigate their first year, we are here to guide them every step of the way!

Every first year student is automatically a part of FYE and there are many ways to participate. For more information, visit our Center, browse our website, or contact us at firstyear@fullcoll.edu.
