800 Building, Room 807 – (714) 992-7140

The Fullerton College Math & Comp Sci Tutoring Lounge, located in the LLRC, has been in continuous operation since 1967. It provides services in a supportive environment where students can receive supplemental support services specific to courses, textbooks, and instructors. The Lounge offers individual tutoring, computer tutorials, online homework programs, individual and group study locations, and a place for make-up quizzes and tests to be administered. During the first week of classes each semester, the Lounge offers class orientations explaining the services offered. Student attendance is tracked electronically when students scan in and out of the Lounge using their student ID cards.
