

ADMISSIONS/REGISTRATION PROCEDURES

Admission to Classes

Students are admitted on a first-come, first-served basis. By District policy, "every course, course section, or class shall be open to enrollment and participation by any person who has been admitted to North Orange Continuing Education (NOCE)". Students are not permitted to attend classes in which they are not officially enrolled. Classes filled may have a waitlist already established for students wanting to attend. **Tuition-Free Classes:** Students must attend the first day of class or they will lose their seat to a petitioning student.

New Students

New students are those who have never attended classes at NOCE.

Continuing Students

Continuing students are those students who are currently enrolled and have not missed more than two consecutive semesters.

Returning Students

Returning students are those students who previously attended classes at NOCE yet did not re-enroll after missing two consecutive semesters.

Minor Students

NOCE classes are open to those 18 years or older who have been admitted to NOCE and are not attending school. Students under 18 who have not graduated from their high school may be permitted to attend under special circumstances. It is advisable to contact the NOCE Site Administrators at the site where the class is offered prior to obtaining the required permission letter from the school that the minor is attending. If permission to enroll is granted, the minor student may enroll only after the regular registration period so that priority is given to adult students. Children of any age may take Kids' College and Teen Program classes as indicated in the course schedule. Children are not permitted to attend adult classes.

International F-1 and M-1 Visa Students

Students with F-1 and M-1 Visa status are unable to register for NOCE classes.

NOCE is considered a publicly-funded adult education program by the federal government. The law prohibits publicly-funded adult education programs from enrolling students with F-1 and M-1 Visa status. This is according to the Code of Federal Regulations, Title 8 CFR Part 22 Section 214.2 (f).

Please be advised that NOCE is not authorized as a Student and Exchange Visitor Program (SEVP). Please see certified schools and programs eligible to enroll F-1 and M-1 students in the United States at the Department of Homeland Security website: <https://studyinthestates.dhs.gov/school-search>.

Classification of Students

Students are classified as full-time when enrolled and attending 12 hours or more of instruction per week. Students enrolled in fewer than 12 hours per week of instruction are considered part-time students. Enrollment and attendance can be confirmed after the student has attended two consecutive weeks of instruction.

Student Identification Policy

Students are required to show a valid form of identification to obtain any form of non-directory information. Valid forms of identification accepted by NOCE include:

- State-issued driver's license,
- State-issued identification card, or
- A government identification with photo issued by the U.S. or other countries.

For additional information on what is considered non-directory information, you may refer to Board Policy 5040 at noce.edu/policies.

Open Enrollment

It is the policy of NOCCCD that, unless specifically exempted by statute, every course section or class, the full-time equivalent students (FTES) attendance of which is to be reported for state aid, whenever offered and maintained by NOCCCD, shall be fully open to enrollment and participation

by any person who has been admitted to the college(s) or NOCE and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, part VI, Title 5 of the California Administrative Code, Commencing with Section 51820.

In-Class Registration

Students must attend the first meeting where in-class registration takes place or they may lose their seat to another student. A minimum number of students must attend the first class meeting to ensure the required enrollment is met. In-class registration is on a first-come, first-served basis, however, students enrolling in a year-round class may enter and register in the class at any time.

Class Attendance/Cancellations

Students are expected to attend all classes. Tuition-Free classes may be discontinued during the term if attendance drops. Tuition-based classes will continue according to schedule once they have started.

It is NOCE's practice that classes do not normally meet on a weekend following a Friday District holiday or preceding a Monday District holiday. If it is necessary for a class to be held on a holiday weekend, this would be an exception to the rule.

Holds

NOCE will not withhold transcripts or grades from any student or former student who has failed to pay outstanding fees owed to NOCE, Cypress College, or Fullerton College.

Waitlist Procedure

You may petition a closed class by adding yourself to the waitlist during registration in myGateway. Waitlisted students are accepted into a class as space is available and in the order in which they have been placed on the waitlist. A waitlisted student is not officially registered into the course until they have completed the registration process to be added to the roster through self-registration or through admissions and records.

Additional Seats for Special Programs

To promote matriculation for students in certain Career Technical Education Programs, additional seats may be reserved for students who have declared their intent to complete a program. At this time Pharmacy Technician Program students may declare their intent to complete the program by returning a declaration form to the Admissions and Records Office. Pharmacy Technician Program students who return this form at least five (5) business days prior to the start of registration will be eligible for additional seats during registration in the following classes: PTEC 110 Pharmaceutical Mathematics and PTEC 125 Human Relations for Healthcare Workers.
