

ESL INTEGRATED SKILLS, BEGINNING LOW

Certificate of Competency

Program Code: 3P40940

The ESL (English as a Second Language) Integrated Skills, Beginning Low certificate program is an integrated language program. The program has one required course and one elective course: The required course, ESL Integrated Skills, Beginning Low, is designed to give students the practice to develop skills in speaking, listening, reading, and writing based on topics relevant to their lives, experience, and goals. It also applies language skills within the context of everyday real life topics along with civics-related topics with the goal of helping students access the language needed to become active community participants. One elective option, ESL Student Support Center, provides students with individualized skill building activities to reinforce the learning objectives covered in the required courses. The other elective course, ESL Student Success, Beginning, covers an orientation of the ESL program and NOCE as a whole, effective study skills and learning activities, and the digital literacy skills needed to succeed in an American educational setting.
