

CAREER EXPLORATION: DIGITAL MARKETING

Certificate of Completion

Program #3P44243

This program will provide students with the opportunity to explore digital marketing concepts and acquire practical skills for personal and professional growth. Students will gain knowledge and confidence in utilizing digital marketing strategies to enhance their social media presence and content creation. Students will use Word Processing and Photo / Video Editing software to achieve their goals.

The curriculum is structured to impart a well-rounded skill set. Students will learn what skills an employee would be desirable in a Digital Marketing career. The course will enhance their office skills and understanding of social media and digital ethics and strengthen their creativity and problem-solving skills by creating long-term projects. Upon successful completion, students will prepare for entry-level employment in the Digital Marketing job and for more advanced industry-specific training and certificated programs.
